TREY GRAYSON
SECRETARY OF STATE
COMMONWEALTH OF KENTUCKY
BY R. Adair

AN ACT relating to transportation, making an appropriation therefor, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

1 ➔Section 1. KRS 177.317 is amended to read as follows:

2 The Transportation Cabinet shall allow partial control of access on the Hal Rogers
3 Parkway, **between the junction with KY 192 and the junction with KY 80**, and establish
4 minimum spacing requirements and the manner in which the access is to be provided.
5 Minimum access spacing under this section shall be no less than one thousand two
6 hundred (1,200) feet.

7 ➔Section 2. 2008 Kentucky Acts Chapter 127, Part I, Operating Budget; L.
8 Transportation Cabinet; 3. Debt Service, at page 538, is amended to read as follows:

13 Road Fund appropriation is \$9,086,400 in fiscal year 2008-2009 for Resource Recovery
14 Road lease-rental payments. The Secretary of the Transportation Cabinet shall use Road
15 Fund resources to meet the lease-rental payments to the Kentucky Turnpike Authority for
16 Resource Recovery Road projects in the amount certified by the Transportation Cabinet,
17 pursuant to KRS 143.090. However, if Road Fund resources are not sufficient to meet
18 lease-rental payments, the additional amount required to meet the obligation shall be
19 transferred from the proceeds of the tax levied on the severance or processing of coal by
20 KRS 143.020.

21 **(2) Economic Development Road Lease-Rental Payments:** Included in the
22 above Road Fund appropriation is \$139,426,600 in fiscal year 2008-2009 and
23 \$134,389,000 in fiscal year 2009-2010 for Economic Development Road lease-rental
24 payments relating to projects financed by Economic Development Road Revenue Bonds

1 previously authorized by the General Assembly and issued by the Kentucky Turnpike
2 Authority.

3 **(3) Economic Development Road Bond Debt Service:** Included in the above
4 Road Fund appropriation is \$2,210,000 in fiscal year 2009-2010 for Economic
5 Development Road lease-rental payments to the Kentucky Turnpike Authority relating to
6 projects financed by \$50,000,000 in Economic Development Road Revenue Bonds.

7 **(4) Excess Lease-Rental Payments:** Any moneys not required to meet lease-
8 rental payments or to meet the administrative costs of the Kentucky Turnpike Authority
9 shall be transferred to the State Construction Account.

10 **(5) Debt Payment Acceleration Fund Account:** Notwithstanding KRS 175.505,
11 no portion of the revenues to the state Road Fund provided by the adjustments in KRS
12 138.220(2), excluding KRS 177.320 and 177.365, shall accrue to the Debt Payment
13 Acceleration Fund account during the 2008-2010 fiscal biennium.

14 **(6) Economic Development Road Bond Debt Service: Included in the above**
15 **Road Fund appropriation is \$17,679,000 in fiscal year 2009-2010 for Economic**
16 **Development Road lease-rental payments to the Kentucky Turnpike Authority relating**
17 **to projects financed by \$400,000,000 in Economic Development Road Revenue Bonds.**

18 ➔Section 3. 2008 Kentucky Acts Chapter 127, Part I, Operating Budget; L.
19 Transportation Cabinet; 4. Highways, at pages 538 to 541, as amended by 2008 Kentucky
20 Acts Chapter 123 is further amended to read as follows:

 16 Fund for state construction projects in the fiscal biennium 2008-2010 Biennial Highway
 17 Construction Program.

18 (5) **Highway Construction Contingency Account:** Included in the State
 19 Supported Construction Program in subsection (2) of this section is \$31,000,000 in fiscal
 20 year 2008-2009 and \$31,000,000 in fiscal year 2009-2010 for the Highway Construction
 21 Contingency Account. The Transportation Cabinet may deposit \$4,000,000 from the
 22 Highway Construction Contingency Account in each fiscal year to the Industrial Road
 23 Access Account within the Transportation Cabinet. The Industrial Road Access Account
 24 funds are designated to be used solely by the Secretary of the Economic Development
 25 Cabinet. These funds may be expended, encumbered, or committed only upon the
 26 direction of the Secretary of the Economic Development Cabinet to the Secretary of the
 27 Transportation Cabinet. The Secretary of the Economic Development Cabinet may

1 request from the Secretary of the Transportation Cabinet additional funds to be deposited
2 to the Industrial Road Access Account if the funds are necessary to meet specific
3 economic development opportunities in a local community. Notwithstanding KRS
4 45.229, any funds not expended from the Industrial Road Access Account prior to June
5 30, 2009, shall not lapse to the State Highway Construction Program, but shall remain in
6 the Industrial Road Access Account and carry forward into fiscal year 2009-2010.
7 Included in the above Road Fund appropriation is \$98,000 in fiscal year 2008-2009 for
8 use by Mammoth Caves National Park to provide a 20 percent state-funded match for
9 federal funds designated for planning and for design phases for dredging and
10 reconstruction and improvements to the Green River Ferry loading ramps for year-round
11 operation of the ferry.

12 **(6) 2008-2010 Biennial Highway Construction Plan:** Projects in the enacted
13 2006-2008 Biennial Highway Construction Plan are authorized to continue their current
14 authorization into the 2008-2010 fiscal biennium.

15 **(7) Kentucky Transportation Center:** Notwithstanding KRS 177.320(4),
16 included in the above Road Fund appropriation is \$290,000 in fiscal year 2008-2009 and
17 \$290,000 in fiscal year 2009-2010 for the Kentucky Transportation Center.

18 **(8) New Highway Equipment Purchases:** Notwithstanding KRS 48.710(3),
19 included in the above Restricted Funds appropriation is \$1,500,000 in fiscal year 2008-
20 2009 and \$1,500,000 in fiscal year 2009-2010 from the sale of surplus equipment to
21 purchase new highway equipment.

22 **(9) State Match Provisions:** The Transportation Cabinet is authorized to utilize
23 state construction moneys or Toll Credits to match federal highway moneys.

24 **(10) Federal Aid Highway Funds:** If additional federal highway moneys are made
25 available to Kentucky by the United States Congress, the funds shall be used according to
26 the following priority: (a) Any demonstration-specific or project-specific money shall be
27 used on the project identified; (b) All projects identified for federal funding in the fiscal

1 biennium 2008-2010 Biennial Highway Construction Plan shall be given first priority;
2 and (c) All other funds shall be used to ensure that projects in the fiscal biennium 2008-
3 2010 Biennial Highway Construction Plan are funded.

4 **(11) Road Fund Cash Management:** The Secretary of the Transportation Cabinet
5 is authorized to continue the Cash Management Plan to address the policy of the General
6 Assembly to expeditiously initiate and complete projects in the fiscal biennium 2008-
7 2010 Biennial Highway Construction Plan. Notwithstanding KRS Chapter 45,
8 specifically including KRS 45.242 and 45.244, the Secretary may concurrently advance
9 projects in the Biennial Highway Construction Plan by employing management
10 techniques that maximize the Cabinet's ability to contract for and effectively administer
11 the project work. Under the approved Cash Management Plan, the Secretary is directed to
12 continuously ensure that the unspent project and Road Fund balances available to the
13 Transportation Cabinet are sufficient to meet expenditures consistent with appropriations
14 provided.

15 **(12) Carry Forward of Appropriation Balances:** Notwithstanding KRS 45.229,
16 unexpended Road Fund appropriations in the Highways budget unit for the Construction
17 program, the Maintenance program, and the Research program in fiscal year 2007-2008
18 and in fiscal year 2008-2009 shall not lapse but shall carry forward. Unexpended Federal
19 Funds and Restricted Funds appropriations in the Highways budget unit for the
20 Construction program, the Maintenance program, and the Research program in fiscal year
21 2007-2008 and in fiscal year 2008-2009, up to the amount of ending cash balances and
22 grant balances shall not lapse but shall carry forward.

23 **(13) Kentucky Pride Program Report:** The Environmental and Public Protection
24 Cabinet shall provide to the Interim Joint Committee on Appropriations and Revenue and
25 the Interim Joint Committee on Transportation a program and financial status report of all
26 expenditures related to the Kentucky Pride Fund. The status report shall be provided to
27 the Interim Joint Committee on Appropriations and Revenue and the Interim Joint

1 Committee on Transportation no later than October 1 of each year.

2 **(14) Miscellaneous Road Fund Projects:** (a) The Transportation Cabinet may
3 undertake the following miscellaneous road projects using the Highway Construction
4 Contingency appropriation contained therein:

5 1. Fayette County Traffic Control Device: Install a traffic light at the
6 intersection of Georgetown Road and Spurr Road for \$50,000 from Road Fund resources
7 in fiscal year 2008-2009;

8 2. Fayette County Traffic Control Device: Install a left turn signal at the
9 intersection of Russell Cave Road and Asbury Lane for \$6,000 from Road Fund resources
10 in fiscal year 2008-2009;

15 both sides of the traffic control signal at the intersection of Eastern Parkway and
16 Bardstown Road for \$12,000 from Road Fund resources in fiscal year 2008-2009;

17 5. Jefferson County Traffic Control Device: Install a right turn lane at
18 Terry Road and Greenwood Road for \$75,000 from Road Fund resources in fiscal year
19 2008-2009;

20 6. Jefferson County Traffic Control Device: Install a left turn lane at St.
21 Andrews Church Road and St. Anthony Road for \$150,000 from Road Fund resources in
22 fiscal year 2008-2009;

23 7. Jefferson County Railroad Crossing: Reimburse \$80,000 to Louisville
24 Metro Government, from Road Fund resources in fiscal year 2008-2009, for
25 improvements to the Norfolk Southern Railroad crossing on Breckenridge Lane near the
26 intersection of Breckenridge Lane and Six Mile Lane. The improvements shall include
27 the rehabilitation and beautification of all sidewalks, drainage, landscaping, replacement

1 or refurbishing of handrails, curbs, and retaining walls;

2 8. Kenton County Traffic Control Device: Install a traffic light at the
3 intersection of Adela Street and Oak Street in Ludlow for \$22,000 from Road Fund
4 resources in fiscal year 2008-2009;

5 9. Kenton County Sidewalks: Construct sidewalks on the northwest side of
6 Adela Street from the Ludlow Independent School District to City Park in Ludlow for
7 \$50,000 from Road Fund resources in fiscal year 2008-2009;

8 10. Kenton County Sidewalk and Brick Repair: Provide for transportation
9 enhancement and beautification by repairing or replacing the historic brick and sidewalk
10 located in the 500 block of Linden Street from Adela Street to Helen Street for \$100,000
11 from Road Fund resources in fiscal year 2008-2009; and

12 11. Clark County Traffic Control Device: Install a four-way traffic signal at
13 the intersection of KY 1958 and KY 1960.

14 (b) The Transportation Cabinet shall follow the original plans for Scott County
15 Project Number 7-102.10 as identified in the 2008-2014 Highway Road Plan. The
16 Georgetown Northwest Bypass shall extend directly northward from the existing US
17 60/US 460 bypass intersection before proceeding to the existing KY 32. With the safety
18 and protection of school children being of the utmost concern to the citizens of the
19 Commonwealth, the Transportation Cabinet shall require the Georgetown Northwest
20 Bypass project to provide adequate ingress to and egress from Western Elementary
21 School.

22 **(15) Wetland Restoration Debt Service:** Included in the above appropriation is
23 \$442,000 in fiscal year 2009-2010 for new debt service to support new bonds as set forth
24 in Part II, Capital Projects Budget, of this Act.

25 **(16) Innovative Financing:** The Secretary of the Transportation Cabinet, or his or
26 her designee, shall be authorized to update the initial financial plan utilizing toll revenues
27 as an available funding source for the Louisville-Southern Indiana Ohio River Bridges

1 Project.

2 **(17) Interlocal Cooperative Agreement:** Any local government may be permitted
 3 to enter into an interlocal cooperative agreement with the Transportation Cabinet to
 4 maintain traffic control devices on state-maintained roads within the local government's
 5 jurisdiction and shall be reimbursed by the Transportation Cabinet for the contracted cost
 6 of such maintenance. The agreement may permit local governments to make temporary
 7 repairs to state-maintained road surfaces within the local government's jurisdiction and
 8 shall be reimbursed by the Transportation Cabinet for the contracted cost of the
 9 temporary repairs. The Transportation Cabinet shall report all interlocal cooperative
 10 agreements entered into under this subsection to the Interim Joint Committee on
 11 Transportation within seven days of the agreement being finalized. The report shall
 12 include the local government requesting the assistance from the Cabinet, the scope and
 13 estimated cost of the service or repair, and the reasons for the necessity of the agreement.

14 **(18) Grant Anticipation Revenue Vehicle (GARVEE) Bonds:** Included in the
 15 above Restricted Funds appropriation is \$231,000,000 in fiscal year 2008-2009 for
 16 GARVEE Bond Funds to be issued for the Louisville-Southern Indiana Ohio River
 17 Bridges Project. Federal funds made available as a result of the issuance of bonds
 18 authorized herein, shall not be expended unless specifically appropriated and identified by
 19 the General Assembly.

20 **(19) New Grant Anticipation Revenue Vehicle (GARVEE) Debt Service:**
 21 Included in the above Federal Funds appropriation is \$12,410,800 in fiscal year 2008-
 22 2009 and \$24,821,600 in fiscal year 2009-2010 for GARVEE Bonds debt service
 23 payments relating to projects financed by \$231,000,000 in GARVEE Bonds.

24 **(20) Crittenden County Property: Whereas the existing real property in**
 25 **Crittenden County located at 110 Old Salem Road has become unsuitable for public**
 26 **use as a Transportation Cabinet maintenance facility due to its age, and whereas this**
 27 **property would be more suitable for use by the Crittenden County Board of Education**

1 as it is adjacent to the Crittenden County High School, the General Assembly
 2 authorizes the exchange of this property with the Crittenden County Industrial
 3 Authority property in Industrial Park North. Upon conveyance of title to sufficient
 4 property to the Transportation Cabinet by the Crittenden County Industrial Authority,
 5 the Transportation Cabinet shall construct a new maintenance facility and all
 6 necessary adjacent facilities. Upon completion and occupation of the new maintenance
 7 facility and approval required by KRS 45A.045, the Commonwealth shall convey title to
 8 the existing maintenance facility property to the Crittenden County Board of
 9 Education.
